

Tal Rimoni

Full Stack Software Engineer

Boston-MA, 857-233-6663, trimoni8@gmail.com, github.com/trimoni, linkedin.com/in/talrimoni/

I am a software engineer with a BA in Public Relations with a strong gift in communication, leadership and creativity that applies not just to the real world, but today's evolving tech industry. I access challenges with abundant insight to any problem that lay in my wake. My sympathetic nature helps band together a healthy, working environment. I translate everything to simple and precise code.
